Mr Scott mgr. Thresa Hotel N.Y.City

Dear Fraend:

I received a phone call from Cum Posey, in Pittsburg, asking me to call the hotel and reserve him some rooms. I talked to your secy, and she is taking care of it, but I decided to drop a line to confirm the conversation. I know you will understand.

Pirst of all, this is probably the most important meeting the Negro Baseball has ever held. I am
sure you shev been reading the papers and know what is
happening. Posey told me in our telephone conversation
he was inviting ar Chandler to the meeting. I do not
expect him to be able to come, first of all the notice
is too short, but in case he does I think The Thresa
will be a nice place to have him.

I am enclosing you a copy of my letter to Fosey. If there is anything you want to talk to me about call me at the above phone number.

Thank you for your cooperation. Hope to see you Friday.

Sincerely Yours
